INFORMATION CIRCULAR

(containing information as at November 4, 2025 unless indicated otherwise)

**For the Annual General Meeting

SOLICITATION OF PROXIES

This information circular is furnished in connection with the solicitation of proxies by the management of BeMetals Corp. (the "**Corporation**") for use at the annual general meeting (the "**Meeting**"), of the shareholders (the "**Shareholders**") of the Corporation, to be held on Wednesday, December 10, 2025 at the time and place and for the purposes set forth in the accompanying notice of meeting and at any adjournment thereof. The enclosed instrument of proxy is solicited by the management of the Corporation. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by officers and employees of the Corporation. The cost of solicitation will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Corporation. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM OR HER ON HIS OR HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS OR HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE CORPORATION'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE INVESTOR SERVICES INC., 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, OR BY TOLL FREE FAX 1.866.249.7775 NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF.**

The Proxy must be signed and dated by the Shareholder or by his or her attorney in writing, or, if the Shareholder is a company, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Corporation's registrar and transfer agent, **Computershare Investor Services Inc., 100 University Avenue, 9th floor, Toronto, Ontario, M5J 2Y1**, at any time up to and including the last business day preceding the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought

before the Meeting. At the time of printing this information circular, the management of the Corporation is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority greater than one-half of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Corporation who have an interest in the motion and common shares held by their "associates", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

General

The authorized capital of the Corporation consists of an unlimited number of common shares without par value and an unlimited number of preferred shares without par value. There were 240,973,429 common shares of the Corporation issued and outstanding as of the close of business on November 4, 2025, each share carrying the right to one vote. There were no preferred shares issued and outstanding as of the close of business on November 4, 2025.

Only Shareholders of record as at the close of business on November 4, 2025 (the "**Record Date**") who either personally attend the Meeting or who have completed and delivered a Proxy in the manner and subject to the provisions described under the heading "*Appointment and Revocation of Proxies*" shall be entitled to vote, or have their common shares voted, at the Meeting, or any adjournment thereof. On any poll, each Shareholder of record holding common shares of the Corporation on the Record Date is entitled to one vote for each common share registered in his or her name on the list of shareholders as at the Record Date.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

The Corporation will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called OBOs for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Corporation is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

Principal Holders of Voting Shares

To the knowledge of the directors and senior officers of the Corporation, as of November 4, 2025, there are no persons or corporations that beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation other than:

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding Shares
B2Gold Corp.	55,276,115	22.94%

COMPENSATION DISCUSSION AND ANALYSIS

The compensation of the Corporation's Named Executive Officers has been established with a view of attracting and retaining executives critical to the Corporation's short and long-term success and to continue providing executives with compensation that is in accordance with existing market standards. Compensation provided to the Corporation's NEOs is determined and reviewed by the Corporation's Compensation Committee. In establishing executive compensation policies, the Compensation Committee takes into consideration the recommendations of management and, following discussion and review, reports them to the Corporation's full board of directors (the **"Board of Directors"** or **"Board"**) for final approval. The members of the Compensation Committee for the financial year ended December 31, 2024 were Clive Johnson, Roger Richer, and Tom Garagan. See *"Schedule B"* below for further information on the Compensation Committee.

Compensation of the Corporation's Named Executive Officers is comprised of a base salary and the granting of options to purchase common shares under the Corporation's stock option plan (as more particularly described below). Through its executive compensation practices, the Corporation seeks to provide value to its shareholders by employing a strong executive leadership team. Specifically, the Corporation's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Corporation's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Corporation's success, and align the interests of the Corporation's executives and shareholders by motivating executives to increase shareholder value.

Within the context of the overall objectives of the Corporation's compensation practices, the Corporation determined the specific amounts of compensation to be paid to its executives during the year ended December 31, 2024 based on a number of factors including the Corporation's executive performance during the financial year, the roles and responsibilities of the Corporation's executives, the individual experience and skills of and expected contributions from the Corporation's executives, the Corporation's executives' historical compensation and performance within the Corporation, and any contractual commitments the Corporation has made to its executives regarding compensation.

The Board of Directors of the Corporation has not conducted a formal evaluation of the implications of the risks associated with the Corporation's compensation practices and policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Corporation's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Corporation.

Base Salary

The Corporation believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. The Corporation also believes that attractive base salaries can motivate and reward executives for their overall performance.

To the extent that the Corporation has entered into employment agreements with its executives, the base salaries of such individuals reflect the base salaries that the Corporation negotiated with them. The base salaries that the Corporation negotiated with its executives were based on the individual experience and skills of, and expected contribution from, each executive, the roles and responsibilities of the executive, the base salaries of the Corporation's existing executives and other factors. The employment agreements that were entered into with certain of the

Corporation's Named Executive Officers are summarized under “*Named Executive Officer Employment Agreements*” below.

Option Based Awards

The Corporation has in effect a stock option plan in order to provide effective incentives to directors, officers, employees and consultants of the Corporation and to enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Corporation’s Shareholders. In determining option grants to the Named Executive Officers, the Board of Directors together with the CEO takes into consideration factors that include the amount and exercise price of previous option grants; the NEO's position, experience, level of expertise and responsibilities; and the contributions of each NEO in any given financial year.

Details of the Corporation’s stock option plan are set out below under the heading “*Particulars Of Other Matters To Be Acted Upon – Re-Approval of Stock Option Plan*”.

Use of Financial Instruments

The Corporation does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive or director purchasing such an instrument.

TERMINATION AND CHANGE OF CONTROL BENEFITS

Pursuant to the employment agreements entered into between the Corporation and each of Mr. Wilton and Mr. Iwanaka, the respective Named Executive Officer is entitled to compensation from the Corporation in the event of termination without cause or resignation for "good cause". In the event that the Named Executive Officer's employment agreement is terminated by the Corporation without cause, or the Named Executive Officer resigns on two weeks' notice for "good cause", the Corporation must pay a severance payment to such Named Executive Officer, equal to 1 week of annual salary plus 4 additional weeks for each consecutively completed 12 months of employment, as well as continuation of benefits for the same period or until the Named Executive Officer secures alternative benefits. For purposes of the employment agreements, the definition of "good cause" means the occurrence of any of the following: (i) a material reduction in the Employee's responsibilities; (ii) a reduction by the Corporation in the Employee's Annual Salary; or (iii) any reduction by the Corporation of the number of paid vacation days to which the Employee is entitled. Assuming Mr. Wilton was terminated without cause or resigned for good cause on December 31, 2024, he would have been entitled to receive severance of US\$103,365. Mr. Wilton’s lump sum payment is equal to 24 months of annual salary and Mr. Iwanaka’s lump sum payment is equal to 12 months of annual salary. For the purposes of the employment agreements, a “change of control” means: (i) the acquisition of Common Shares by a person or group of persons acting jointly or in concert that, when added to all of the Common Shares owned by such person or persons, constitutes for the first time in the aggregate 20% or more of the Common Shares; (ii) the removal of more than 50% of the incumbent Board of Directors of the Corporation, or the election of a majority of the directors to the Board of Directors of the Corporation that were not nominees of the Board of Directors at the time immediately preceding such election; (iii) a sale of all or substantially all of the assets of the Corporation; or (iv) a reorganization, plan of arrangement, merger or other transaction which has substantially the same effect as (a) to (c) above. Assuming Mr. Wilton was terminated without cause or resigned for good cause on December 31, 2024 following a change of control, he would have been entitled to receive a payment of US\$430,000. Mr. Wilton subsequently resigned from the Corporation on September 30, 2025 and therefore is no longer entitled to a change of control payment. Assuming Mr. Iwanaka was terminated without cause or resigned for good cause on December 31, 2024 following a change of control, he would be entitled to receive a payment of C\$170,000.

- (3) The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Audit Committee for the ensuing year. The Board may at any time remove or replace any member of the Audit Committee and may fill any vacancy in the Audit Committee.
- (4) Unless the Board shall have appointed a chair of the Audit Committee, the members of the Audit Committee shall elect a chair and a secretary from among their number.
- (5) The quorum for meetings shall be a majority of the members of the Audit Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
- (6) The Audit Committee shall have access to such officers and employees of the Corporation and to the Corporation's external auditors, and to such information respecting the Corporation, as it considers to be necessary or advisable in order to perform its duties and responsibilities.
- (7) Meetings of the Audit Committee shall be conducted as follows:
 - (a) the Audit Committee shall meet at least four times annually at such times and at such locations as may be requested by the chair of the Audit Committee. The external auditors or any member of the Audit Committee may request a meeting of the Audit Committee;

of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 6. COMPENSATION

The Corporation has a Compensation Committee which currently consists of the following members: Clive Johnson, Roger Richer, and Tom Garagan, of which all are considered independent.
